**CLASSIC:** Full-frame only (no cropping), and auto-analyzed for color/density. Styrene mounted & lacquered in sizes 11x14 and larger.

**DESIGNER:** Standard (mask) cropping, Masonite mounted and Pro-Texture sprayed in all sizes - suitable for framing without glass.

**CUSTOM:** Unlimited cropping, Masonite or Gator Foam mounted in all sizes, choice of any lacquer, includes work print if required.

**ARCHIVAL:** Print is applied to canvas & Masonite mounted, choice of clear or lustre lacquer, suitable for framing without glass.

**OLD MASTERS:** Print is applied to canvas, mounted on artists stretcher, hand brush stroked with heavy lacquer & finish coat, ready to frame.

### IMPORTANT!

 While Classic & Designer grade prints are computer analyzed to very close lab tolerances based on accurate skin tones, and will be virtually identical to your wedding originals, we cannot guarantee a critical color/density match to any item or print made previously from the same negative. If a critical color/density match is required, choose CUSTOM grade or better, and supply a guide print or color swatch to match.
